Wedding Receptions & Special Occasions

Intimate and Special are the events we create for our Bridal Couples.

Our wedding reception at La Scala was an absolute success - thanks to Melanie Yannie and her hardworking staff!

The food was excellent; our guests raved about how delicious all of the entrées were. We were absolutely pleased with every food item we chose. Every dish the chef prepared was delectable - from the vegetables to the potatoes to the pasta to the meats.

We were extremely satisfied. Every member of the staff who worked with us that evening was friendly and extremely helpful.

They were always checking with my husband and I to see if we needed anything, and were happy to help with anything. My husband and I were even served our dinner! That gave us more time to socialize with guests, which was appreciated. The bartender was also very nice! I was so pleased with every individual who assisted with our reception. I could not have asked for more.

The decor was beautiful. Melanie and her staff took care of everything - table arrangement, decorating, even setting out all of the wedding favors. I did not have to stress one bit about rushing to decorate the room or get anything ready - it was done for me, which was a relief. Melanie will work with vendors (cake, DJ, flowers) to ensure that everything is set up and ready for the big day.

I would recommend La Scala restaurant to any bride and groom looking for an excellent venue for their reception. The restaurant is classy and elegant, and the staff aims to please. Melanie will work with you to make your dreams a reality. And the process will be stress-free, which makes the evening even more enjoyable!
